DREAMS

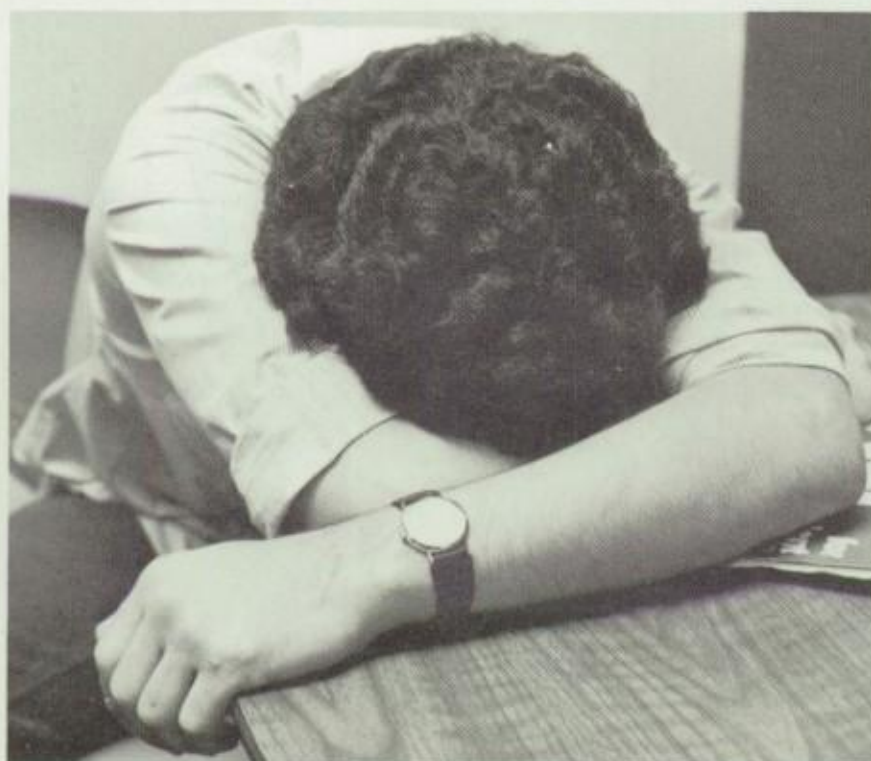

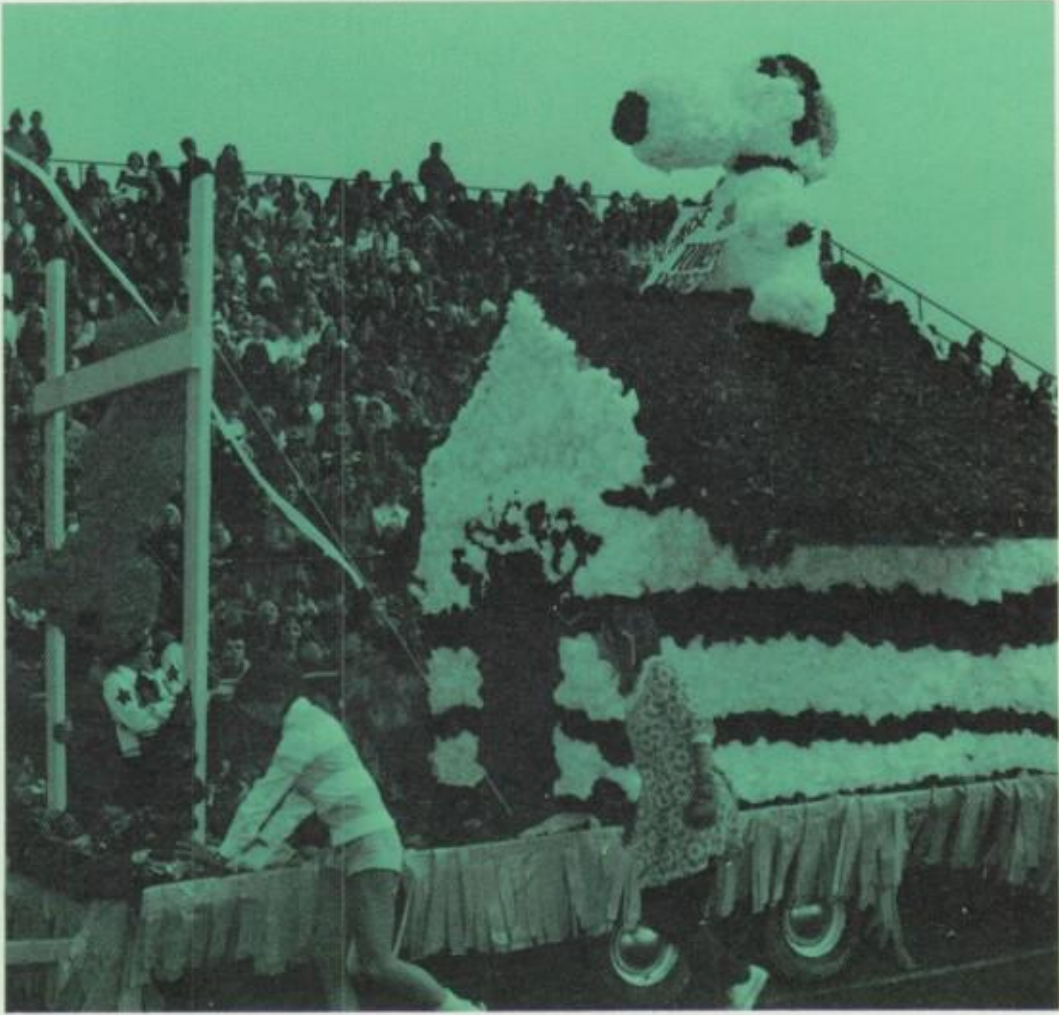

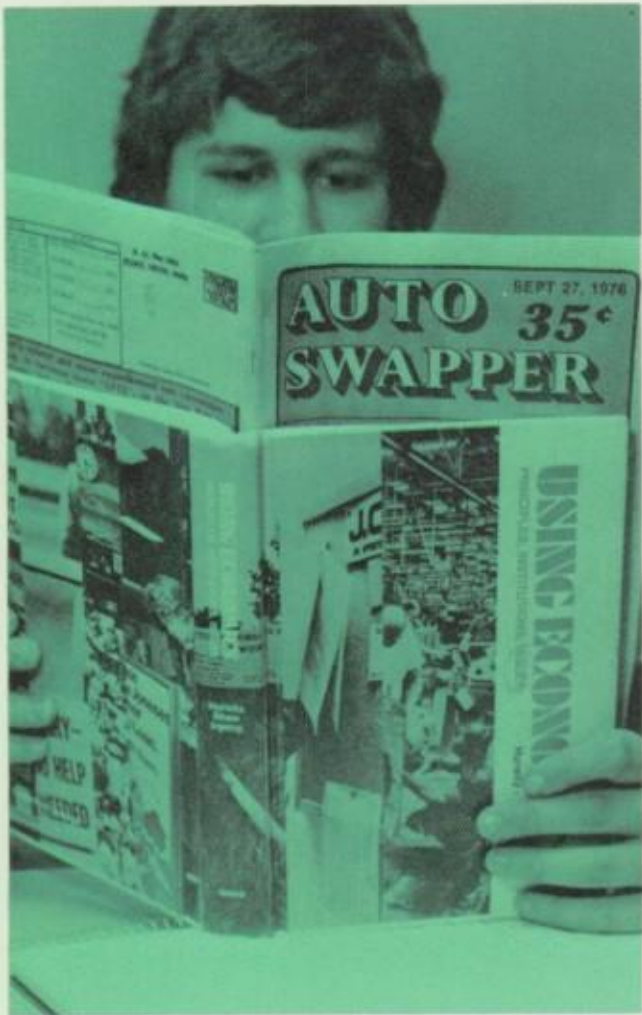

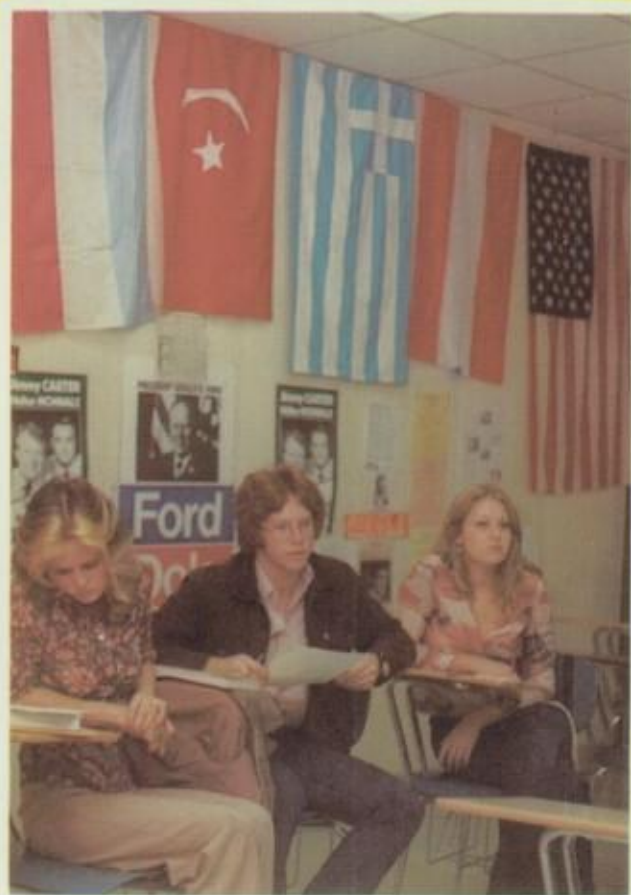

PAST

Do you know-where your going to?
Do you like the things
that life is showing you?
Where are you going to,
do you know?

Do you get what your hoping for?
When you look behind you,
there's no open door.

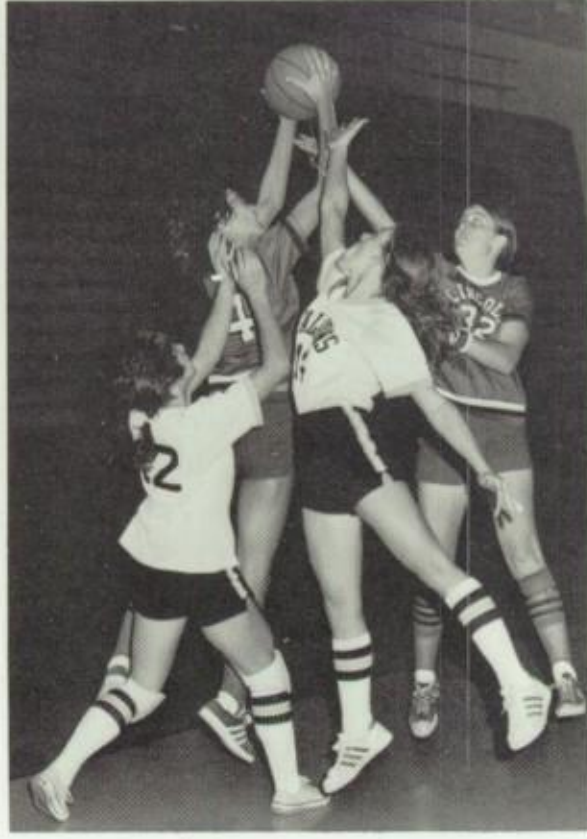

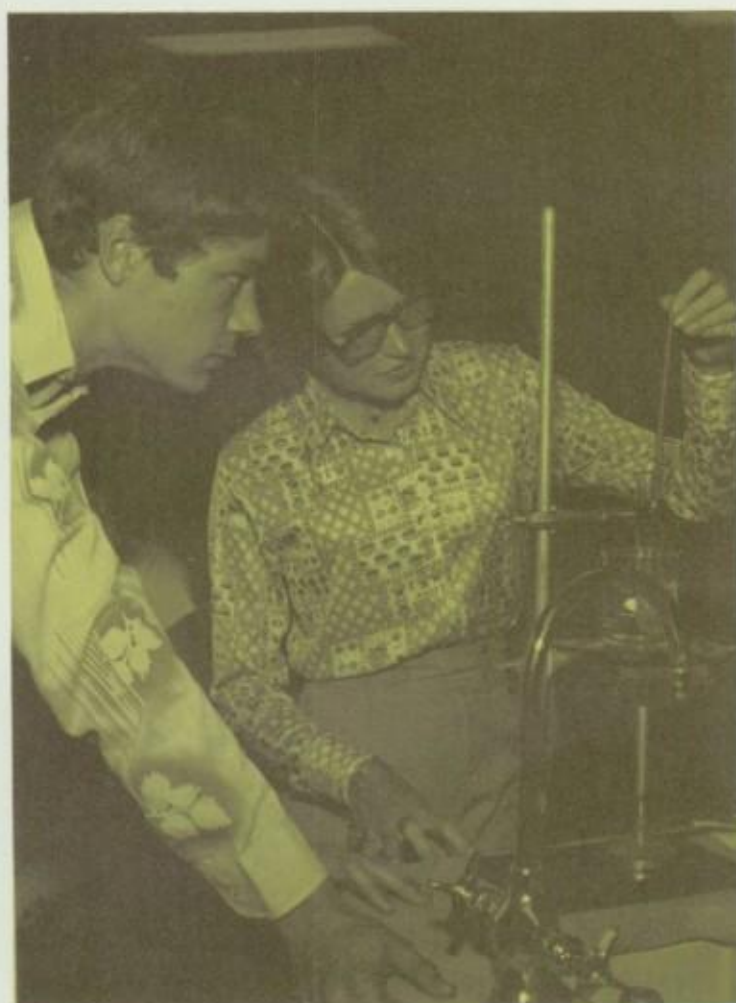

What are you hoping for?
Do you know?

Once we were standing still in time, chasing the fantasies that filled our minds. You know how I loved you, but my spirit was free, laughing at the questions that you once asked of me.

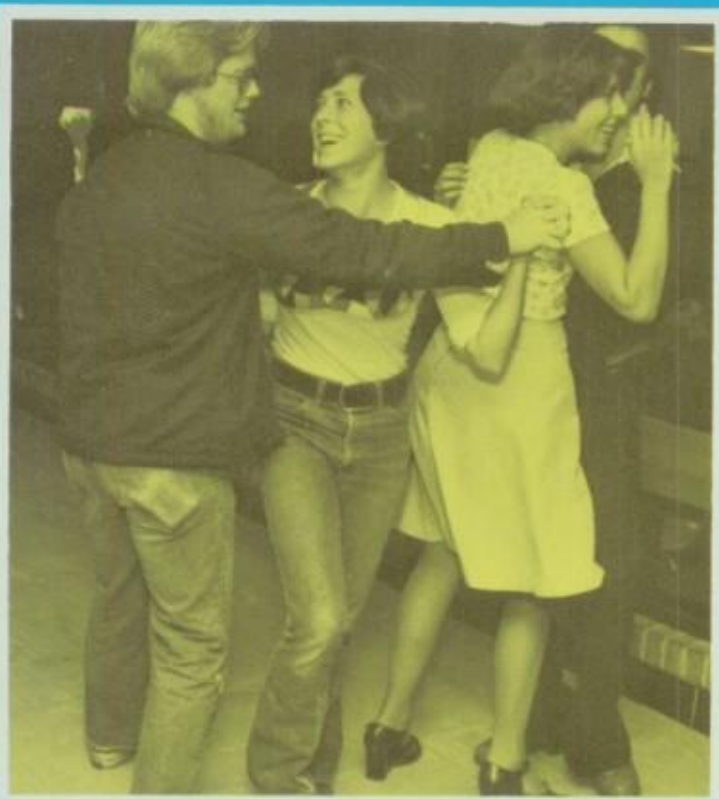

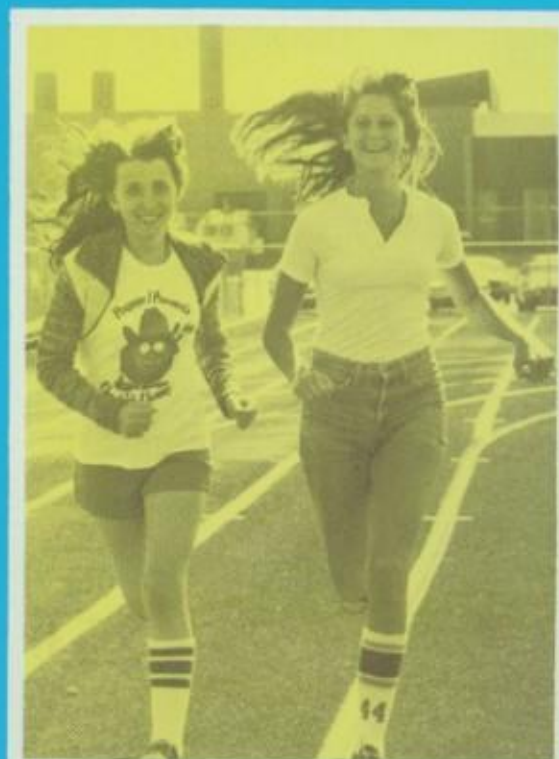

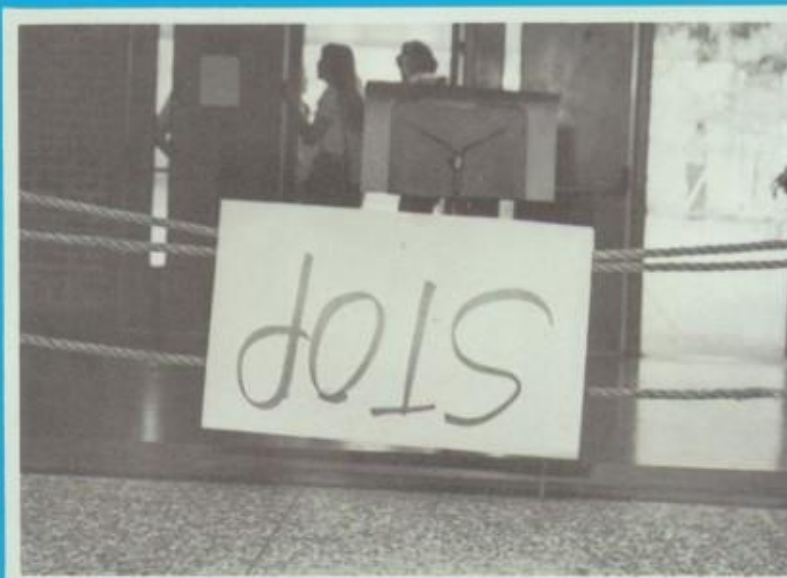

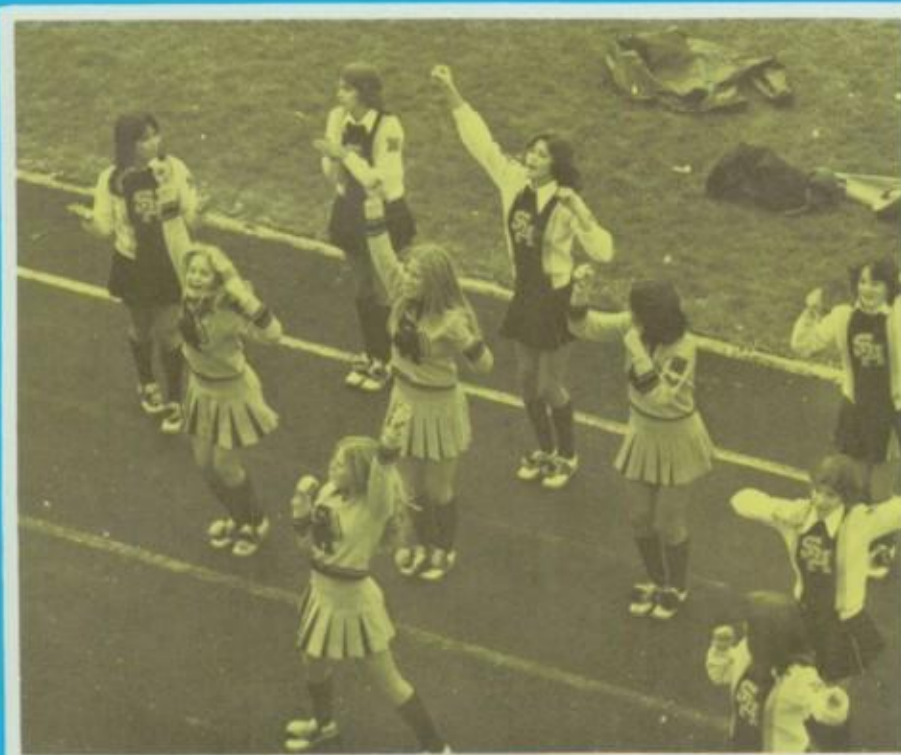

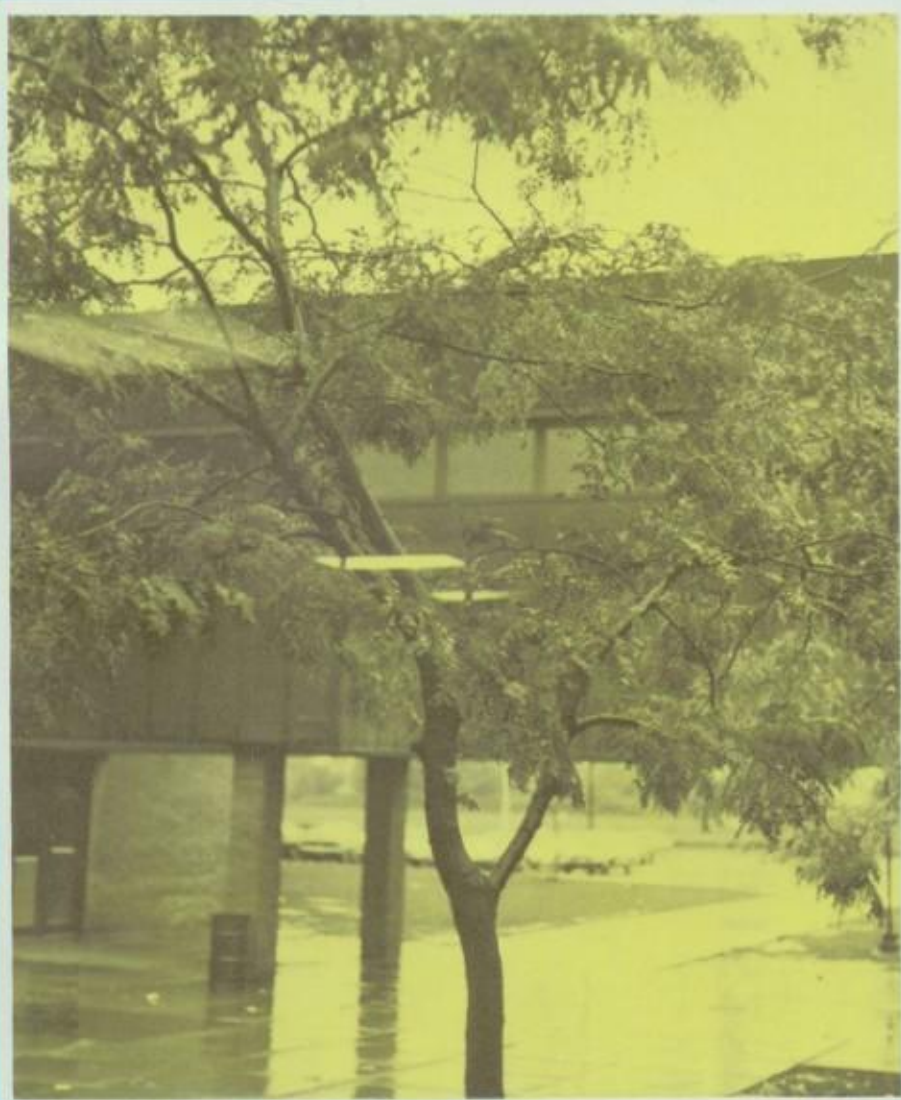

Now looking back at all we planned, we let so many dreams just slip through our hands. Why must we wait so long before we see how sad the answers to those questions can be.

Do you know where your going to?
Do you like the things that life is showing
you?
Where are you going to, do you know?

Nick,
To a guy I
met this year and
I'm really glad I did.
Take it easy and remember
4 sh. Hour, Erwin. Good luck
in anything and everything
you do. You better be careful,
because one of these times
Erwin is going to find out
you skipped. I would say
Sorry about Vicki, but I think
things are for the best. Hope
to see you next year and
maybe even all the summer.
Take it easy.

Lots of Love

Nikkie,

I'm so glad I
got to meet you.
But I'm sorry I
couldn't go to the
zoo. We would
have had a great
time, well maybe
next year. I hope
to see you next
year. Watch your
'hands off' T-shirts.
Good luck I'm
going to miss you
this year.

Hot of Hove,
Assunta.

Nick,
Knowing you has been a great honor
because you are a great person &
like your views on life and
everything else. It's been one fun
year and you've been a part of
it. I sure hope we can get together
more often. I almost wish to see
Brad Smith. What I like about you
is you don't have to try to be funny
cause it is built into you. Sometimes
this is important. Stay the way
you are.
